Lynn, After looking at the attached spreadsheet, I concur with the amount you are requesting for Star Stone's U-77761 (M/003/0026) increase.

I will attach this email and a copy of the spreadsheet to our file.

Please cc me on any correspondence with Star Stone so I can keep our files current.

Let me know if there is anything I can do. Thanks Lynn.

Rosebud Bond Escalation.

Larry,

It is time to escalate the surety amount for the Rosebud Mine. The attached spreadsheet contains the Division's escalation of Star Stone's current surety to the year 2015. After your review, if you concur with this amount please send us a letter or response to this email. We will then make a formal request to Star Stone to adjust the surety amount.

Thanks.(See attached file: escalate-01272011.XLS)
